

Steering Group Member and Volunteer Application Form

Caistor Art & Heritage Centre project has been created by a small group whose aim is to improve the standard of life in Caistor for all residents, to promote community engagement and to work towards creating a community owned enterprise based within the old Youth Centre on Plough Hill.

The idea for the Centre came about as a continuation of the Townscape Heritage Initiative that has made such a difference already to Caistor, and when successful will bring an important piece of Caistor's heritage back into full use. Feasibility, planning and looking for funding has quietly been taking place behind the scenes and we are delighted to have won a stage one BIG Lottery/BBC Village SOS grant to assist us further in developing these plans. We are now ready to invite anyone with an interest in Arts and Heritage to become steering group members and to share in this exciting project. We would also welcome volunteers from within the community to work alongside the steering group sharing ideas and aspirations for the enterprise and to prepare for when the Centre is open.

We would like to encourage all members of the community to volunteer to work with the Caistor Arts & Heritage Centre and as such we have no particular entry requirements, all we need from you is time, enthusiasm and commitment.

Please visit the community web site www.caistor.net for further information about this project and other activities which are ongoing within the community. May I take this opportunity to thank you for your interest in this exciting new venture.

Roy Schofield
Chair of Caistor Art & Heritage Centre Project
