A New Year Message From the Mayor of Caistor,

Cllr. John Cole

Now that 2008 has arrived, the big question is, where did 2007 go? What happened?

Caistor, once again, enjoyed a variety of very successful events during the year such as the Celtic Festival, Proms in the Park, Caistor in Bloom and Bonfire Night - which is one of the best in Lincolnshire! And, not to be forgotten, the CATS Pantomime which was attended by many civic heads from across the county.

All these events are organised by the many volunteers in the Town and this shows the community spirit in Caistor. These volunteers are people who do not look for praise for what they do, but they do it all on behalf of the residents of Caistor - a big thank you to you all

During 2007 we saw the THI Project in Caistor gather momentum, with property owners involved in renovation work and it is hoped that by the end of 2008 we will be close to completion.

We should also see a start on the Market Place area in 2008 - well let's hope so!!

As the festive season approached, we saw the switch on of the Christmas lights - a very well organised evening and there was so much positive feedback about it. The tree, again donated by Tore Tiedemann and the people of Enebakk in Norway, graced the Market Place. My thanks go to Tore for providing the tree once again and I wish him a speedy recovery from his illness and look forward to seeing him in Caistor for the celebrations in 2008.

There are so many people to thank for their generosity in bringing Christmas to Caistor. However, a big thank you to all the volunteers who braved the elements to put the tree up on a very wet Sunday morning in November. Mike Galligan and his team once again co-ordinated the increasing number of Christmas trees around the Town. Also my thanks go to all the unsung willing workers who helped in so many ways to bring this excellent project to a first class conclusion. The spirit of Christmas is certainly alive in Caistor.

On one sad note, we saw the passing of Councillor Bernard Harriman, a true gentleman, who will be greatly missed by all who knew him.

I now only have four months left as Mayor of Caistor but since May 2006, I have enjoyed being involved in the many events and functions in Caistor and also representing the Town and trying to give us a louder voice at West Lindsey and Lincolnshire County Council. I have also made so many new and good friends during this time.

Finally, as we start 2008, I would like to wish everyone in Caistor and their families a happy, healthy and peaceful New Year.

Cllr. John Cole
